## INFORMATION SHEET

**Dates & Times: Camp 1:** Classes begin at 12:00 July 8 and end at 19:00 July 11. **Camp 2:** Classes begin at 12:00 July 14 and end at 19:00 July 17. A daily schedule will be provided at the camp.

**Qualifications:** No prior qualifications are necessary to attend this camp. However, the horse you bring must be able to be around other horses without being dangerous. No foals or studs will be allowed. Because of the type of event this is, unruly or dangerous horses cannot be tolerated. In order to avoid any problems we ask that you use your good judgement in advance. You will be asked to remove your horse from the camp if it is judged by John Moore to be a dangerous animal and your fee will be retained.

**Cost:** 5500 SEK per person (one person, one horse). Payment must be made in advance of the deadline to insure your position at the camp. Payment is non-refundable. We ask for your understanding on this policy since the expense of having the camp is very great. Costs such as airline tickets from the U.S. plus food, facility rental, advertising and insurance all must be paid in advance by us, and are non-refundable for us. In the event of special circumstances such as serious illness on your part, arrangements can sometimes be made to find a replacement, but this cannot be guaranteed.

**Lodging:** Students will each have a bed (tältsäng) in a room you will share with other students. We will, however, keep men and women in separate rooms. Bring your own sleeping bag or bedding and a pillow. Also bring any personal items you may need. Parking is available for horse trailers at the riding house.

**Food:** Breakfast will be served each morning, lunch at mid-day, and supper in the evenings. Please bring your own "between meal snacks". Drinks will be available all day in the dining area.

**Toilets & Showers:** Toilets and showers are located at the riding house. Bring your own towel, soap, shampoo, etc.

**Horse Feed and Equipment:** Hay will be available for sale at the camp, or you can bring your own. Please bring any supplements your horse requires. Horses will be kept in box stalls, tie stalls, corrals or pasture. A rope halter and 12 foot lead rope are required for each horse. These will be available for sale at the camp if you don't have one. Also bring your horse's saddle, bridle, blankets, feed and water buckets, etc.

**Personal Equipment:** Bring your own toilet articles, clothes, towels, bedding, tent (if desired), rain gear, medications and any other personal items you will need for a camping trip. Town is only a short drive away, so anything you forget can be easily purchased there.

**Pets:** No dogs or other pets are allowed – we are very firm on this. People and horses are the only animals allowed at the camp.

**Arrival Time:** You may arrive anytime in the morning after 07:00 on the first day of the camp. If you are traveling a long distance to the camp you can make arrangements with us to arrive the afternoon or evening before the first day of camp - but you must arrive before 10:00 in the evening. The riding school will charge you 200SEK for 1 box, payable directly to them. We must know in advance that you are coming early, otherwise the facility will be locked and nobody will be there to meet you.

**Liability:** All attendees must have their own insurance for themselves and their horse. John Moore, his employees, agents, representatives and the owners of the property upon which HORSETRAINING CAMP 2010 is being held are exempt from any and all liability for property damage, injury or death sustained by humans or animals while attending or traveling to or from HORSETRAINING CAMP 2010.

Please sign and return one copy of this letter with your payment. Your signature confirms that you have read and understand the information listed above, and that you agree to the above terms.
